

# Get **MORE** from Medicare

**More** savings. **More** benefits. **More** programs.

## MEDICARE ADVANTAGE PLANS

Administered by a private insurance company, a **Medicare Advantage** plan provides Medicare health insurance.

### Original Medicare + **MORE**

If you are looking to keep your Medicare insurance under one plan, a Medicare Advantage plan might be something to consider.

Medicare Advantage plans include hospital insurance (Medicare Part A) and medical insurance (Medicare Part B), plus Extra Benefits like **dental, vision, hearing** and **prescription drug coverage**, as well as **health and wellness programs**.

It's everything covered by Original Medicare, plus **MORE**.

### **MORE** Choices

There are many different plan types to choose from based on your needs, with HMO and PPO being the most popular. Costs can vary for each plan based on how often you need services, use of out-of-network providers and extra benefits.

You may pay a monthly premium with a Medicare Advantage plan and most plans charge a copayment for services, but unlike Original Medicare, Medicare Advantage plans have out-of-pocket maximums, helping you keep your costs down.

**It's important to know Original Medicare isn't your only option.**

### Who's Eligible?

Anyone enrolled in Medicare Part A and Part B.

**Part D: Prescription Drug Coverage** could be included in your Medicare Advantage plan.

Find out **MORE** today!

**MARY GOT**

**MORE**

◀ **This is Mary.**

Mary has three grandchildren. She loves to attend their activities, but was having some trouble driving at night and missed a championship soccer game. Original Medicare didn't cover the cost of Extra Benefits such as vision. After discussing her needs with an agent, Mary joined a Medicare Advantage plan and got her groove back. She hasn't missed a game since.

I can help you get **More** from your Medicare coverage!

*Speak to a licensed insurance agent specializing in Medicare:*

Plans are insured or covered by a Medicare Advantage (HMO, PPO and PFFS) organization with a Medicare contract and/or a Medicare-approved Part D sponsor. Enrollment in the plan depends on the plan's contract renewal with Medicare.
